Dear Student Drivers and Parents of Student Drivers:

To further insure the safety of all students at West Central High School, our school safety program is supporting the requirements that all drivers register their vehicles with the school. Please read the “Driving Expectations: below and that are already outlined in your Student Handbook. Please return the completed driver information sheet to the high school office as soon as possible so you may be issued a parking permit tag.

Thank you for supporting our school wide safety program.

Patrick Culp
Principal
