ANNUAL PERFORMANCE REVIEW: Mr. Zylstra reviewed the 2021 Annual Performance Report. The data and information was supplied by the Indiana Department of Education.

COURSE DESCRIPTION BOOK UPDATE: Jake Tanner made a motion to approve the course description updates for 2022-2023.

Jonathan Gutwein seconded the motion and the course description updates were approved.

ITEMS FOR DISCUSSION:

Elementary Principal Mike Carlson reported that Kindergarten round-up will be held tomorrow. Thirty-eight prospective Trojans are signed up. This is similar to the numbers last year. IREAD was given to third grade at the beginning of March. The passing rate is down from previous years. Plans are underway for ILEARN which begins on April 19th. The elementary school had a little fun before Spring Break with a staff versus sixth grade volleyball game. The staff was defending their title from last year's basketball game. After being tied at one set each, the staff pulled away in the third set for the win. It was a great time for the whole school as they cheered on the players.

Middle/High School Principal Angie Radtke announced that they finished up the third grading period at the beginning of March. The middle schoolers who qualified for the incentive trip enjoyed pizza at the park and then headed to Winamac to the Isis Theater to watch a movie. The high schoolers finally had the chance to participate in their second grade period incentive; they went bowling in Lafayette. Mr. Pilarski did a great job of promoting and putting on the Sports Spectacular. Everyone who attended had a great time. The junior class won, but those seventh graders were a very close second. Paige Wireman, Natalia Ashley, Zoe Nelson, and Kayla Schlatter all earned the right to compete at the national level in San Diego, California for their FCCLA projects this summer. The FCCLA students are also leading festivities in celebration of Autism Awareness Month. The Fellowship of Christian Athletes sponsored a Pennies for Patients competition and hosted a 3 on 3 tournament last Friday to raise funds for 8 Days of Hope. Mrs. Kennedy and Mr. Scutchfield are putting together a job fair for local businesses during the school day in late April or early May. All students 15 and older are invited to attend. Spring sports have started, graduation caps and gowns were passed out today, and the end is near!

Superintendent Dan Zylstra discussed potential calendar changes to the 2022-2023 calendar which could go into effect if the HEA 1003 waiver is approved. In particular, the planned eLearning day may be something that is removed since the state is now changing the requirements for eLearning days to count as a regular day of instruction. He also discussed some non-certified wage adjustments. Since the Master Teacher Contract is a 2-year agreement and includes a raise for next year, Superintendent Zylstra would like to adjust the non-certified staff wages upward and send out letters of intent to employ with the updated wages. He will work with the non-certified committee and come with a recommendation at the next board meeting. He also noted the mandatory TRF contribution for certified staff will increase from 5.5% to 6% starting July 1st. Last, Superintendent Zylstra discussed the potential creation of a

non-certified position which would assist with state reporting, software management, and software training and development.

CLAIMS: Dennis Gutwein made a motion to approve claims 3155 through 3245 for the corporation. Todd Miller seconded the motion and the claims were approved.

ADJOURNMENT: President Kyle McTeigue asked the board if there was any further business. Being none, the president adjourned the meeting.

Kyle McTeigue, President

APPROVED:

Todd Miller, Secretary
